CLOSING · Friday 21st JULY, 2023

**BUILDING ON A SURE FOUNDATION
(CITA INTERNATIONAL SCHOOL SUMMER TERM REPORT 2023)**

From the Executive Director

Dear Esteemed Parents,

We welcome you our parents and students back to the second half of the third term for the 2022/2023 session.

Please take note of the following reminders.

This is a promotional examination term and as such, parents should please encourage our pupils to take their school work seriously.

The third term examinations are billed to begin on the 10th of July and end on the 14th of July, 2023.

Any student that is unable to seat for this examination will be assessed with their continuous assessment.

Our parents should encourage their child/children to attempt their homework with little or no supervision as this will give their class teacher a clearer idea of the pupils' strengths and weaknesses.

FOOD

Please pack an adequate amount of food for your child when bringing them to school.

It has been observed that some pupils are not given enough food to tide them through the learning periods; they hence become distracted, tired and irritable.

We therefore appeal to our esteemed parents to please pay more attention to their child's/ children's meals.

FEES

Cita International School allows for a 2 weeks grace period after the term has begun for fee payment.

Students that have no record of fee payment for this term registered at the admin office will not be allowed into the school premises henceforth. We appeal that all outstanding school fees be sorted out with the Admin office as soon as possible.

God bless you all.

Mrs. B. Nwokidu

Executive Director

From the HOD Nursery

Dear Esteemed Parents,

It is our pleasure to welcome you to the final term (Summer Term) of the 2022/2023 session.

It's been a rewarding session so far and we believe and pray that the Lord will see us to a strong finish.

Pickup and Drop off Procedures

Daily drop off of pupils begins at 7:00 am. Pupils are expected to be in class at the latest 7:45 am as instructions begin at 8:00 am prompt.

Please ensure that all your child's materials (bags, books, lunch bag, etc.) are given on drop off. Admission into the school premises stops at 9:00 am. Kindly endeavour to call in the event of any delays and other unforeseen events that might lead to lateness.

Kindly fill in the weekly confirmation booklets and introduce your delegated person(s) to the class teachers.

Appointment and Emergencies

Parents are advised to keep their wards at home when they are booked for an appointment. Extracting pupils within instruction periods is highly distracting; when possible appointments should be scheduled during breaks and holidays.

No child will be allowed to school with symptoms of illness. In emergencies, the school nurse will attend to the child and the parents contacted immediately.

Homework / Class Project

Homework and class projects are important and a compulsory part of each child's assessment. Supervision is necessary and required to ensure /help the child practice acquired skills and knowledge.

Feedback on each of the above is also mandatory.

Conclusion

We appreciate your cooperation and support as we continue to partner in educating and grooming our children to become all that they can be

Best regards

Ijeoma Igwe
HOD Nursery
